

Partnering with  to Create Positive Change in the Community

Our Mission

To connect underserved youth to the superpower of tech

Our Hero Values

- Keep it real and respectful
- Connect - be open
- Have discipline - never quit
- Go above and beyond -
inspire others
- See potential vs. obstacles
- Believe in yourself

Our Vision

Build a pipeline of Tech Heroes to transform the underserved community from economically disadvantaged to ***technologically empowered.***

Today's Agenda

- Danny - Tech Hero Journey
- Adriel - Tech Hero Program Onboarding
- Jono - Superpower of Tech

A portrait of a man with dark hair and a beard, wearing an orange t-shirt, is positioned on the left side of the image. He is looking directly at the camera with a slight smile. The background behind him is a blurred, light-colored image of a city skyline.

Danny

Founder

We are reimagining our Onboarding Process for our Tech Hero Program with Camunda for Good

Process orchestration lets us visualize a more effective/efficient onboarding experience

Adriel
Program Manager

Onboarding Procedure for Students

1. Send congratulatory email to student's personal email
1. Create new UTH email and send to student
1. Add student to UTH virtual classroom and Coursera

Jono
Chief Process Engineer
